It is with great extreme shock and sadness in the loss of my sister. Each day goes by I miss her terribly, her beautiful smile and our happy times together. I will always remember the happy times growing up with her on the farm in Cook's Creek along with our siblings where we were raised by our loving parents which they have now embraced her with open arms along with her five siblings. I will miss her terribly as the days go by and cherish our memories as the Lord has taken her from our loving family way too soon. My tears for her will never stop. Rest in peace and look out for each other.
